FROM THE
DIRECTOR'S DESK*Greetings.*

I write this when LISIE is gripped with NABH fever. NABH is the buzz word now and it is whipping up passion and enthusiasm among all members of LISIE family. For the past few months we have been harnessing all our energy and directing all our efforts towards one purpose, that is NABH accreditation.

Conducting several rounds of discussions, meetings, framing new policies, promulgating new standards, reworking our strategies and plans, spreading awareness, bringing about infrastructural changes, micro and macro level evaluation. In short overhauling the entire system all these and much more have been happening here in Lisie hospital. We've come so far, but got so far to go.

Striving for excellence does not begin or end with NABH accreditation but it is a relentless pursuit. Excellence is based on continuous improvement and for this one may have to go above and beyond the call of duty.

While Lisie continues to progress by leaps and bounds on all fronts NABH accreditation will sure be a golden feather in our cap. Let us hope and pray for the best.

*"Excellence is never an accident.
It is the result of high intention, sincere effort,
Intelligent direction skilful execution
and the vision to see obstacles
as opportunities."*

May Almighty God Bless all of You.

GreenOT

Certified Green Operation Theatre

Lisie Hospital received Green OT Certification from the Bureau Veritas Certification India Pvt Ltd., a global certification agency. The certificate recognizes Lisie Hospital's Compliance to the highest quality and safety parameters for patients and health care workers in its operation theaters. It is also a testament of its Stringent adherence to environment friendly and safe operation theaters.

The certificate offered by Bureau Veritas, a global leader in testing, inspection and certificate in association with Abbott, E-multi hospital stake holder. In a function conducted at hospital on 05. 07. 2016 Director, Rev. Fr. Thomas Vaikathuparambil received the certificate from Mr. Charli Cherrampilly, lead auditor Bureau Veritas and Mr. Ajaykumar, senior manager, Abbott India. Rev. Fr. Anto Challiserry, Asst. Director welcomed the gathering and Dr. Prema Antony HOD, Anaesthesia proposed vote of thanks. Rev. Fr. Varghese Pallatty, Asst. Director, Sr. Elsy Nursing Administrator, Dr. Rohitha, Head-Microbiology, Sr. Emerit, O.T, in charge, Mr. Sinto, OT - Co-ordinator also attended. Accreditation from the foundation is offered after the institution adopts guidelines and protocols set in this regard. In order to restrict environment degradation and ensure minimal surgery related complications, an audit is then conducted that focuses on five elements - the hospital's commitment towards optimum patient and environment friendly OT designs, pre-operative activities, during operations and post operative activities as well as training and awareness among hospital staff. This certification requires a collaborative effort from various de-

partments of the hospital including quality, infection control, biomedical, anaesthesia etc. The accreditation process brings predictability to service standards as certification is a reassurance for patients regarding safe and healthy practices being followed inside operating rooms. Green, from an operation theatre (OT) perspective covers all parameters like air flows, OT set up, anaesthesia machines, types of volatile agents used, filling-systems adopted and scavenging systems in place. Green connotes cleaner techniques using modern technology and processes with a sensitive approach to environment.

The Green OT certification assures that all patients undergo the standardized protocols of safe anaesthesia administration. Some other key measures include, controlling the temperature, humidity laminar flow, air circulation etc, inside the OTs which are directly related to infection prevention. As a part of the process, Bureau Veritas conducted independent assessments/audits of the hospital and scrutinized the prevention of surgical site infections, safe anaesthesia, surgical teams and equipments. Accreditation forms the foundation for assuring patients that safety and quality standards are being met by the hospital. Patients who seek medical treatment are mostly concerned with the quality and safety aspects of treatment and now prefer to go to the health care providers that are accredited by a recognized National or International Organizations.

SEEM NATIONAL ENERGY MANAGEMENT AWARD 2016

കേന്ദ്ര ഊർജ്ജമന്ത്രാലയത്തിന്റെ അംഗീകാരമുള്ള സൊസൈറ്റിയായ സീമിന്റെ (SEEM - Society of Energy Engineers and Managers) 2016-ലെ ദേശീയ എനർജി മാനേജ്മെന്റ് അവാർഡ് ലിസി ആശുപത്രിക്ക് ലഭിച്ചു. വിവിധ മേഖലകളിൽ കാര്യക്ഷമമായി ഊർജ്ജസംരക്ഷണം നടത്തുന്ന സ്ഥാപനങ്ങൾക്കാണ് 'സീം' അവാർഡ് നൽകുന്നത്. സീമിന്റെ മൂന്നാമതു ദേശീയ അവാർഡിൽ ആരോഗ്യമേഖലയിലെ മികച്ച ഊർജ്ജസംരക്ഷണത്തിനാണ് ലിസിക്ക് അംഗീകാരം ലഭിച്ചത്. മെയ് 26-ാം തീയതി അഹമ്മദാബാദിൽ നടന്ന ചടങ്ങിൽ, 2007-ലെ സമാധാനത്തിനുള്ള നൊബേൽ സമ്മാനം നേടിയ സംഘാംഗമായ ഡോ. ജയന്ത് സത്യയിൽ നിന്ന് ആശുപത്രി അസി. ഡയറക്ടർ ഫാ. അജോ മുത്തേടൻ അവാർഡ് ഏറ്റുവാങ്ങി. കേരളത്തിലെ ഒരു ആശുപത്രിക്ക്

ആദ്യമായാണ് ഈ അവാർഡ് ലഭിക്കുന്നത്. സൗരോർജ്ജമേഖലയിൽ മറ്റൊരു ആശുപത്രിയും നടത്താത്ത തരത്തിലുള്ള വലിയ പരിശ്രമങ്ങൾക്കാണ് അവാർഡ് ലഭിച്ചതെന്ന് ഡയറക്ടർ ഫാ. തോമസ് വൈക്കത്തുപറമ്പിൽ പറഞ്ഞു. ആശുപത്രി കെട്ടിടങ്ങൾക്കു മുകളിൽ സ്ഥാപിച്ചിട്ടുള്ള സോളാർപാനലുകളിലൂടെ പ്രതിദിനം 1300 യൂണിറ്റ് വൈദ്യുതി ലഭിക്കുന്നു. സോളാർ പാനലിംഗ് പൂർത്തിയാകുന്നതോടെ ആകെ ആവശ്യമായ വൈദ്യുതിയുടെ 40 ശതമാനമായ 7000 യൂണിറ്റ് പ്രതിദിനം ലഭിക്കും. സൗരോർജ്ജത്തിൽ പ്രവർത്തിക്കുന്ന വാട്ടർ ഹീറ്ററുകളും ഊർജ്ജസംരക്ഷണത്തിൽ കാര്യമായി പങ്കുവഹിക്കുന്നു. ആശുപത്രിയിലെ ബൾബുകൾ പൂർണ്ണമായി എൽ. ഇ. ഡി. യിലേക്ക് മാറ്റി.

Electricity Minister Mr. M. M. Mani inaugurated the New Radial Lounge exclusively for Day care Coronary Angiogram Procedures in Lisie Hospital Kochi. KCBC Health Commission Chairman Archbishop Mar George Njaralakkatt blessed the New Facility.

Coronary Angiogram is a procedure which is done to find out whether there are blocks in the blood vessels which carry blood to the heart muscles. Usually it is done as an inpatient procedure in the

hospital. Radial Lounge is a new concept which is already in practice in western countries where patients who need angiogram will come to the radial lounge on the day of the procedure and will be discharged on the same day after the procedure. A state of the art Radial Lounge is now available in Lisie Hospital which is at par with the western standard. This Radial lounge is attached to the cathlab complex with three cathlabs. Dr Rony Mathew HOD Cardiology

said that The Daycare Angiogram procedure utilizing the radial lounge will be a great help to the patients in terms of time and money.

All world class healthcare facilities to treat cardiovascular diseases are currently available at Lisie Hospital, said Rev. Fr. Thomas Vaikathuparambil Director of Lisie Hospital. Rev. Fr. Varghese Palatty, Dr. Jabir Abdullakutty, Dr. Jo Joseph, Sr. Betty CMC, Mr. Wilson Joseph were also present during the occasion.

Rontgen, Wilhelm Conrad (1845-1923),
German physicist, Discovered Roentgen rays

INTERNATIONAL DAY OF RADIOLOGY

8th November 2016

Lisie Institute of Radiology Research and Imaging Sciences along with Medical Social Work Department

celebrated International Day of Radiology on the 8th of November 2016 at the Reception area of Lisie Hospital. The day marked the 121st Anniversary of the discovery of X-ray by German Physicist Wilhelm Conrad Roentgen. The celebrations commemorate tremendous advances in modern healthcare made possible by Medical Imaging exams – such as X-rays, Computed Tomography (CT) Ultrasound and Magnetic Resonance Imaging (MRI) – and innovations in Radiology Research. Breast Imaging, the theme for this year recognizes the role of imaging in the detection, diagnosis and management of diseases of the breast. Director Rev. Fr. Thomas Vaikathuparambil inaugurated the celebrations and emphasized the key

role of Radiology in diagnosis and patient management. He was also in appreciation of the smooth functioning and sincere efforts of the Department of Radiology. Dr. Amy D'Souza, (Senior Consultant & HOD Department of Obstetrics & Gynecology) highlighted the importance of screening mammography. Asst. Director Rev. Fr. Varghese Palatty spoke on the need for co-operation and collaboration between various Clinical Departments & Radiology for accurate diagnosis and early initiation of treatment. Dr. Amel Antony (Sr. Consultant & HOD, Department of Radiology) in his keynote address traced the evolution of breast imaging from X-rays to Digital Mammography. Further he elaborated on the advantages of annual screening mammography starting at age forty which has proved to reduce breast cancer mortality by 30%.

Mrs. Sini Jose welcomed the gathering and Mrs. Milna Simethy proposed the vote of thanks. The celebrations were marked by enthusiastic participation of the audience and the excellent arrangements under the leadership of Rev. Sr. Pavana SABS.

PAEDIATRIC CARDIOLOGY DEPARTMENT ACHIEVEMENTS

In October 2016, we conducted a CME program in association with Jubilee Mission Hospital at Trichur. We also had the privilege to air live cases along with our adult colleagues for the Cardiological society of India, in Dec 2016.

Installation of the new cardiac MRI software this year has helped us in better assessment of some complex heart diseases. New operation theatre and ICU complex with all latest facilities has also been a major help.

We have been able to offer free cardiac interventions and

The division of pediatric cardiology and pediatric cardiac surgery at Lisie Heart Institute was established in June 2016. In this period of one year we have established a mature cardiac programme catering to all varieties of heart diseases and have achieved results at par with any leading paediatric cardiac centre in the world. This was possible only with the support of the visionary management of Lisie Hospital and magnanimous philanthropists and the trust placed in us by paediatricians and neonatologists of the state.

Pediatric cardiac surgery in the modern era has become extremely safe and the current focus is to restore the circulation to a normal state at the earliest opportunity. This is our core philosophy that ensures excellent long term survival and better quality of life for children with heart disease. We could recently perform surgery (PDA ligation) on a 600-gram premie that would be the smallest reported case in Kerala. Forty percent of our operated cases were less than 5 Kg and our mortality rate of 1.8% is comparable to any other tertiary centre in the world.

surgery for nearly 100 deserving children with congenital heart disease from all over the world in collaboration with Dr. Varghese Moolan Foundation. These included three children from Liberia, 13 from Manipur and rest from Kerala and Tamil Nadu.

With an aim to extend our services to the needy and under privileged regions, we have conducted free medical camps for diagnosis and management of children with congenital heart disease. These include two camps conducted in North-East India where hundreds of children were screened for heart diseases and those who required interventions were treated at our hospital free of cost. Similar camps were also conducted at other places like Kottiyam, Tanur, Cheruplassery and Perinthalmanna.

Our plan in the next few years is to create a spoke and hub model for other centres all over the country from wherein we could guide them manage cases locally as well as be the tertiary referral centre for more complex cases.

EYES ON DIABETES

World Diabetes Day 14th November 2016

World Diabetes Day is the primary global awareness campaign focusing on diabetes mellitus and is held on November 14 each year. As part of the Health Day celebration we the Medical Social Work department along with the 4th year BSc nursing students organized an awareness programme at the reception. Dr. Betsy Annie Koshi was the Chief Guest of the Day. One in two adults with diabetes is undiagnosed. Many people live with type 2 diabetes for a long period of time without being aware of their condition. By the time of diagnosis, diabetes complications may already be present. Up to 70% of type 2 diabetes cases can be prevented or delayed by adopting healthier lifestyles. With increasing levels of poor nutrition and physical inactivity among children in many countries, type 2 diabetes in childhood has the potential to become a global public health issue leading to serious health outcomes. Topics included were diabetes and human rights, diabetes and lifestyle, diabetes and obesity, and diabetes in children and adolescents. The theme of the day was 'Eyes on Diabetes'. Students arranged puppet show based on the theme.

ACHIEVEMENTS OF GENERAL SURGERY

General Surgery department is one of the biggest departments in Lisie Hospital with eminent consultants. Dr. Joy Mampilly as HOD of unit -I and Dr. Paulose Jacob is the Senior Consultant. Dr. Ananthapadmanabhan as HOD of Unit-II. Department works round the clock, serving emergency and elective surgeries.

Almost 750 Thyroidectomy and 6000 major and minor cases were performed in 2016, which included large intrathoracic goiter reaching up to arch of Aorta, young girl with large carotid body tumour, very large retroperitoneal sarcoma excision, unresectable neuroblastoma excision which was not taken up by any other reputed hospital, large retro sternal goiter of one kg weight, all kind of emergency and elective laparotomies etc.

Under the guidance and dedication of experienced doctors and staff general surgery department is going successfully.

MEDICAL CAMPS ORGANIZED BY LISIE HOSPITAL ERNAKULAM

ECHOLIS
2017

"When a society is free from crime and violence and has respect for diversity, it is healthy. Similarly a body which is flexible and can adapt to different conditions is healthy. The signs of good health are an intellect which is free from inhibition and arrogance, a heart which is full of compassion is healthy, a confusion-free mind, a trauma-free memory and a sorrow-free soul."

Our health care outreach focuses on preventive care. Medical Social Work Department of Lisie Hospital organizes medical camps in different places with the support of Oncology and General Medicine doctors. At medical camps we provide basic treatment and general check up to help people be aware of their health status. Referrals are made to the hospital and the patients are transported to the hospital for further treatment. Our medical camp team consists of doctors from Oncology Department, doctors from general medicine and medical social workers. Recently we have conducted

medical camps at the following places:

St Antony's Church, Kochal, St Mary's Church, Njarakkal, St Thomas Church, Karumaloor, St. Rockey's Church, Manikamangalam, St. Joseph Forane Church, Vaikom, Manachery Fishermen Association, St. Jude Unit Kaloor.

Report On Graduation Ceremony

Graduation ceremony for the 11th batch BSc nursing students (39), 3rd batch PBBSc nursing students (16) and 4th batch MSc nursing students (6) was conducted in the premises of Lisie hospital on 21st January 2017 at 3 pm. District collector Mr. K. Mohammed. Y. Safirulla IAS inaugurated the function which was presided over by Director Lisie Medical and Educational Institutions, Rev. Fr. Thomas Vaikathuparambil. Rev. Sr. (Prof)

Rubeena SD, Principal Samaritan College of Nursing, lighted the lamp for the students. The students undertook the pledge delivered by Vice Principal, Dr. Lissa Peter and they received the Code of Ethics from the chief guest Mr. K. Mohammed Y. Safirulla IAS and Principal Dr. Usha Marath. The function was concluded at 5 pm following the Vote of thanks and National anthem.

Street Play Regarding the Importance of Child Rights Protection

Social Work Department of Lisie hospital conducted street play to inform the public about the importance of child rights protection on the occasion of child rights protection week with the participation of trainees from different colleges. The programme was conducted in two different venues, Vyttila mobility hub and South railway station. Through the programme the message of child rights protection was clearly communicated to the crowd.

Lamp Lighting Ceremony of Lisie School of Nursing (2016 Batch)

Lamp lighting ceremony of Lisie School of Nursing October 2016 batch was conducted on 28th January 2017 in Lisie Hospital Main Auditorium at 2 pm. The function was honored by Mar Thomas Chakiath, Emeritus Auxillary Bishop of Ernakulam-Angamaly Diocese, Rev. Fr. Thomas Vaikathuparambil, Director, Lisie Hospital, Rev. Fr. Varghese Palatty, Asst. Director, Lisie Medical and Educational Institutions, Rev. Sr. Elsy MSJ, Nursing Administrator and Rev. Sr. Fincy CMC, Principal, Lisie School of Nursing.

The programme started by invoking the blessings of the Lord by the students of school of nursing followed by the welcome speech by Rev. Fr. Varghese Palatty, Asst. Director, Lisie Medical and Educational Institutions. The inaugural address was delivered by Mar Thomas Chakiath, After that, Pres-

idential address given by Rev. Fr. Thomas Vaikathuparambil, Director, Lisie Hospital. Felicitation was done by Dr. Babu Francis, Medical Superintendent. Thereafter certificates and cash awards were distributed to the students who got best in academic and clinical performance. Rev. Sr. Elsy MSJ and Rev. Sr. Fincy CMC gave lighted lamp to each first year student which signified a new beginning in their life with dedication and love that echoed in the Nurses pledge which they recited and it was led by Rev. Sr. Fincy CMC, Principal. At the end of the memorable event, Ms. Deepa Paul, GNM student delivered words of gratitude to all. The Lamp Lighting Ceremony came to an end around 4.30 pm with Lisie Anthem.

School Health Programme

Nurses dispense comfort, compassion and caring without even a prescription. Our 3rd year GNM students from Lisie School of Nursing conducted various School Health Programmes regarding menstrual and personal hygiene and drug addiction for the students of the Govt. U. P. School in Karthedam, Malipuram on 31st January 2017. The programmes were organized under the supervision of Mrs. Bhannupriya Liju, Nursing tutor of Lisie School of Nursing.

Blessing of Lisie School of Nursing

The blessing of renovated class rooms were done on 4th February 2017 at 3 pm by Rev. Fr. Thomas Vaikathuparambil, Director, Lisie Hospital. Rev. Fr. Varghese Palatty, Asst. Director, Lisie Medical and Educational Institutions and Rev. Fr. Ajo George Moothedan, Asst. Director of Lisie Hospital made this benediction more vivid with their presence.

REPORT ON WORLD HEALTH DAY

World Health Day was observed on 7th April 2017 at open air auditorium, Kakkanad Junction, organized by 3rd year BSc. Nursing and 2nd year Post Basic BSc. Nursing students of Lisie College of Nursing. The programme was financed by Mental Health Centre Kusumagiri. The programme started at 8.30 am Inauguration was done by Ms. Shabna Mehar Ali, Thrikkakara Ward Counsellor.

The theme "Depression: let us talk" was revealed

by Dr. Jayaprakash, Chief Psychiatrist, Mental Health Centre, Kusumagiri. He indicated the importance of early diagnosis of depression, how it can be prevented and treated, how to reduce stigma associated with the condition which lead to more people seeking help. Keynote address was delivered by Rev. Sr. Thelma MSJ, Administrator, Kusumagiri Mental Health Centre. The official function was preceded by a flash mob and an awareness programme organized by students of Lisie College of Nursing.

World Kidney Day™

World Kidney Day celebration was held on 9th March 2017. The dialysis department along with medical social work department, Lisie Hospital conducted an awareness programme based on the theme "Kidney Disease and Obesity". The programme ended with an awareness rally. Rev. Rev. Fr. Thomas Vaikathuparambil, Director Lisie hospital delivered the presidential address. Mr. Kochouseph Chittilapally, Chairman of Chittilapally Foundation inaugurated the function by highlighting the ceremonial lamp and delivered the inaugural address. Rev. Fr. Vargheese Palatty, Dr. Babu Francis and Rev. Sr. Elsy MSJ felicitated the gathering. Dr. Jose P Paul explained the theme of the day and delivered a message. Mr. Berly, post renal transplant patient shared his life experience. A skit was performed by dialysis technician students to create awareness on kidney diseases among the public. Followed by that an exhibition was also conducted by dialysis department.

Oath Taking Ceremony

The Oath Taking Ceremony of 15th batch BSc Nursing students was held on 10.3.2017 at 11 am in Lisie College of Nursing. Rev Fr. Thomas Vaikathuparambil inaugurated the ceremony and delivered the presidential address. Vice Principal Dr. Lisa Peter led the Oath and 50 students of 1st year BSc Nursing took Oath in the presence of their teachers. The function was felicitated by Rev. Fr. Varghese Palatty, Asst. Director and Rev. Fr. Ajo Moothedan, Asst Director, Lisie Medical and Educational Institutions.

WORLD TUBERCULOSIS DAY

Lisie Hospital celebrated World Tuberculosis Day on 24th March 2017 at 9.30 am at the hospital reception. 2017 world TB day theme was UNITE TO END TB. The programme was organized by 3rd year GNM students and MSW department. It began with prayer song and Sr. Anu Varghese, School of Nursing student delivered welcome speech. The Presidential address was given by Rev. Fr. Thomas Vaikathuparambil, Director, Lisie Hospital. It was followed by inauguration and release of the Theme by Dr. Parameez A. R, HOD of Pulmonary medicine.

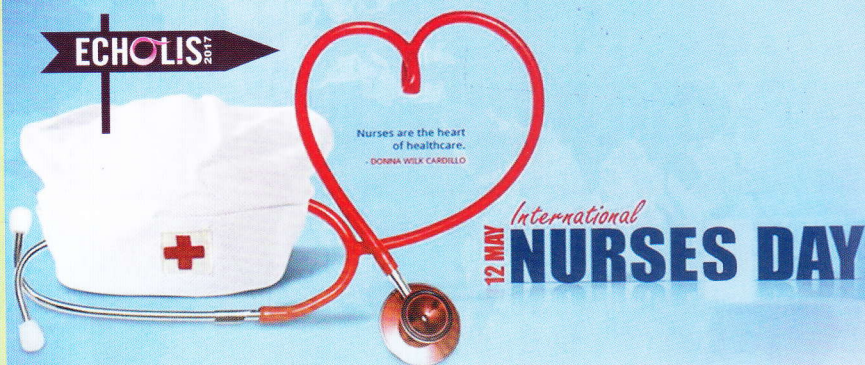

Rev. Fr. Ajo George Moothedan, Asst. Director of Lisie Hospital, felicitated. After the official meeting IIIrd Year GNM students enacted a street play, which was very interesting and educative to all. The programme ended up with vote of thanks by Ms. Ushas Joy, MSW department.

Oushadalokham

On 7th April 2017 Lisie College of Pharmacy organized an exhibition of medicinal plants, "Oushadalokham" with an aim of creating awareness in public that a variety of herbs and plants in our surroundings which have medicinal potential in preventing and treating acute chronic illness, even cancer. Exhibition pavilion was arranged by the side of adoration chapel. D. Pharm students displayed more than 160 plants accompanied by artistically prepared charts depicting the parts used, active constituents and use of each plant. Different apparatus and extraction methods for the separation of acute constituents from crude drugs were also demonstrated to the visitors. Exhibition started with a flash mob by D. Pharm students about nature and plants. Rev. Fr. Ajo George Moothedan, Assistant Director, Lisie Hospital opened the exhibition hall to the public.

The International Nurses Day was observed on 12th May 2017 at Lisie Hospital Ernakulam. The programme started at 6.00 am with a Holy Mass in the hospital chapel followed by a rally by all Nursing students and staff led by Nursing Administrator and Nursing Managers. All the nursing students and staffs then assembled in front of the OPD Block for the pledge taking ceremony led by the Nursing Administrator Rev. Sr. Elsy MSJ. It was followed by Nurses day message by Rev. Fr. Thomas Vaikathuparambil, Director, Lisie Hospital. A flash mob was conducted by BSc Nursing students of Lisie College of Nursing. The Day was also observed at Ernakulam North Railway station where the students of Lisie College of Nursing conducted the Flash Mob followed by a message given by Health Inspector Mr. Arun.

REPORT ON WORLD SCHIZOPHRENIA DAY

World Schizophrenia Day was observed on 24th May 2017 at Government Mental Health Centre, Thrissur by 3rd year B Sc Nursing and 2nd Year Post Basic B Sc Nursing students of Lisie College of Nursing. The programme commenced at 9 A. M. The meeting was presided by Dr. S. Sreedevi, Medical Superintendent. Dr. Subrahmanyam, Consultant Psychiatrist spoke about the importance of patient access to the treatment of schizophrenia, that improves the quality of life and functioning. It was followed by an awareness programme done by students of Lisie College of Nursing.

—WORLD— NO TOBACCO —DAY—

World No Tobacco Day is observed around the world every year on 31st May. It is intended to encourage a 24 hour period of abstinence from all forms of tobacco consumption around the globe. The 3rd year BSc Nursing and 2nd year Post Basic B Sc Nursing students of Lisie College of Nursing conducted an awareness programme based on the theme, "Tobacco - A Threat to Development" on 31st May 2017 at Government Mental Health Centre, Thrissur. Dr. S. Sreedevi, Medical Superintendent inaugurated the function and delivered the message for the day. A Power Point presentation was done by Dr. Subaltmanan, Consultant Psychiatrist at Government Mental Health Centre, Thrissur that highlighted the link between use of tobacco products, tobacco control and sustainable development. He added that it is not only Governments who can set up tobacco control efforts; but people can contribute on an individual level to making a sustainable tobacco free world. Students of Lisie College of Nursing organized an awareness programme followed by variety entertainments. Charts were displayed in front of the conference hall.

Awareness Programme

Social Work Department of Lisie hospital conducted awareness classes for the students of St. Augustine's school along with the trainees from different colleges based on the topics sex education and sexual harassment, food habits and life style diseases under the guidance of the hospital management. Through the classes the students got clarification on the topics and also the importance of the particular subject. Faculties of the departments and the trainees conducted the program in an effective method using different charts and boards.

സോഷ്യൽ വർക്ക് ദിനാചരണവും ശുചീകരണ യജ്ഞവും

ലോക സോഷ്യൽ വർക്ക് ദിനാചരണത്തിന്റെ ഭാഗമായി 2017 മാർച്ച് 21-ാം തീയതി ലിസി ആശുപത്രിയുടെയും കൊച്ചി മുനിസിപ്പൽ കോർപ്പറേഷന്റെയും സംയുക്ത ആഭിമുഖ്യത്തിൽ സാമൂഹികപ്രവർത്തന ദിനവും ശുചീകരണ യജ്ഞവും നടത്തുകയുണ്ടായി. പരിസ്ഥിതി പ്രശ്നങ്ങളും അതിനെ തുടർന്നുണ്ടാകുന്ന ആരോഗ്യപ്രശ്നങ്ങളും ഏറിവരുന്ന ഈ കാലയളവിൽ പ്രകൃതിയേയും സമൂഹത്തേയും ഒരു പോലെ സംരക്ഷിക്കുകയും ഉന്നതിയിലേക്ക് നയിക്കുകയും ചെയ്യേണ്ടത് അനിവാര്യമായ വസ്തുതയാണ്. ഇതിനു മുന്നോടിയായി പല വിധത്തിലും മലിനമാക്കപ്പെട്ടിരിക്കുന്ന തേവരപേരണ്ടൂർ കനാലിന്റെ പി. വി. എസ്. കൽവെർട്ട് മുതൽ പുല്ലേപ്പടി ഭാഗം വരെ ലിസ്സി ആശുപത്രിയിലെ സോഷ്യൽ വർക്ക് വിഭാഗത്തിന്റെ നേതൃത്വത്തിൽ വിവിധ സംഘടനകളും റസിഡൻസ് അസോസിയേഷനുകളും ചേർന്ന് വൃത്തിയാക്കുകയും ജലസ്രോതസ്സുകൾ സംരക്ഷിക്കേണ്ടതിന്റെ പ്രാധാന്യം ജനങ്ങളിൽ എത്തിക്കുകയും ചെയ്തു.

Congratulations to the Winners

Lisie school of Nursing final year and third year students achieved 100% results in the last academic year and also second year and first year students got 95% and 89% results.

Hemodialysis Centre

Dialysis is a treatment that does some of the things done by healthy kidneys...

Lisie hospital dialysis centre was started on 19th April 1994. The centre started with a few dialysis machines and gradually increased in size owing to the needs of renal failure patients. The blessing of 'Msgr. Parackal Memorial Dialysis Centre' was done by Rt. Rev. Mar Sebastian Adayanthrath on 8th March 2015. It is situated on the ground floor of St. Antony's Surgical Block. Currently the centre has 33 hemodialysis machines and one CRRT machine. There are two separate areas of dialysis, HD centre 1 and HD centre 2. All virology negative patients are taken in HD centre 1 and hepatitis B & C positive patients are taken in HD centre 2. Emergency and priority cases are preferred.

Other than hemodialysis, routine procedures are also performed like plasmapheresis, CRRT (Continuous Renal Replacement Therapy), Centerline insertion, phlebotomy, ascitic tapping etc. in our centre. If any complication arises during dialysis we provide emergency management for the patient and will be shifted to HDICU. Other than HD Centre 1 & 2, we have the machine service room, solution preparation area, Staff's changing rooms, isolation room, class room for dialysis technician students and doctors room. Doctors are available round the clock.

Functioning of Dialysis Centre

From every Monday to Saturday we have routine dialysis and associated duties and responsibilities. On Sunday entire unit is cleaned and disinfected. If necessary as per doctor's order dialysis of IP patients and ICU patients are done. In addition maintenance of water treatment also is done.

A co-operative and collaborative work of the Sr. In charge, Sr Pear CSC, all nursing staff, dialysis technician

staffs, students, ANM staffs and house keeping staffs are the secret of proper functioning of dialysis centre. About 70-80 hemodialysis cases are performed on each day.

By the result of our co-ordinated work, we got an award of best department of Lisie hospital for the month of May 2017. And the best in-charge was Sr. Pear CSC, the Sister In-charge of dialysis centre.

Details

Total number of Dialysis machines	:	33
Fresenius	:	19
Nipro diamax	:	10
Nipro surdial	:	4
CRRT	:	1

Sister In-charge: Sr. Pear CSC

Main Technicians : Ms. AshaThomas, Mr.Oshio El-dhose, Ms. Seethu, Ms. Biny, Ms. Blessiya, Ms. Lavanya.

Senior Nursing Staff : Mrs. Geethu Augustine, Mrs. Jisha Joseph, Mrs. Neenu Bibin, Mrs. Gifty Santhosh, Ms. Anju K K.

Total staff nurse	:	30
Students dialysis Technitians	:	19
Technicians	:	6
ANM Staff	:	2

QUALITY INDICATORS Cont...

HEALTH CARE QUALITY INDICATORS

The Quality Indicators (QIs) are measures of health care quality that make use of readily available hospital in-patient administrative data. Quality Indicators are used for the continual improvement of the health care delivery system.

MEDICAL RECORDS	
Percentage of medical records not having discharge summary	Number of medical records not having discharge summary*100
	Number of discharges and deaths
Percentage of medical records not having codification as per International Classification of Diseases	Number of medical records not having codification as per International Classification of Diseases*100
	Number of discharges and deaths
Percentage of medical records having incomplete or improper consent	Number of medical records having incomplete and improper consent*100
	Number of discharges and deaths
Percentage of missing records	Number of missing records*100
	Number of records
LABORATORY AND RADIOLOGY	
Percentage of Re-dos	Number of Re-dos*1000
	Number of tests performed
Percentage of reports co-relating with clinical diagnosis	Number of reports co-relating with clinical diagnosis*100
	Number of tests performed
Percentage of adherence to safety precautions by employees working in diagnostics	Number of employees adhering to safety precautions*100
	Number of employees sampled
Number of reporting errors per 1000 investigation (Errors picked up before and after dispatch which include transcription errors too)	Number of reporting errors*1000
	Number of tests performed
PHARMACY	
Percentage of drugs and consumables procured by local purchase	Number of items purchased by local purchase*100
	Number of drugs listed in hospital formulary and hospital consumables list
Percentage of stock outs including emergency drugs	Number of drugs listed in hospital formulary and hospital consumables list*100
	Number of stock outs
Percentage of drugs and consumables rejected before preparation of goods receipt note	Total quantity rejected*100
	Total quantity received before GRN
Number of reporting errors per 1000 investigation (Errors picked up before and after dispatch which include transcription errors too)	Number of reporting errors*1000
	Number of tests performed
Percentage of variations from the procurement process	Total number of variations from the usual procurement process*100
	Total number of items procured

HUMAN RESOURCE DEPARTMENT

Employee satisfaction Index	score achieved*100
	maximum possible score
Employee attrition Rate	Number of employees who have left (in that month)*100
	Number of employees at the beginning of month + newly joined staff
Employee absenteeism rate	Number of employees who are on unauthorised absence*100
	Number of employees
Percentage of employees who are aware of employee rights, responsibilities and welfare schemes	Number of employees who are aware of employee rights, responsibilities and welfare schemes*100
	Number of employees interviewed

SPORTS DAY LISIE COLLEGE OF NURSING

As part of SNA activity, unit level sports competition was organized by Lisie College of Nursing on 08/04/2017 at St. Augustine school ground. The competition was inaugurated by Rev. Fr. Ajo George Moothedan, Assistant Director Lisie Medical and Educational Institutions. Dr. Usha Marath, principal Lisie College of Nursing, delivered message to the students. The competition started with march past followed by various sports events such as 100, 200 meter race, Javelin throw, Shot put, Discus throw and 4x100 M relay. The events ended by 1 PM .

The winners of unit level competition participated in SNA Zonal level sports competition which was held at St. Michael's College Ground , Cherthala , which was hosted by Sacred Heart College of Nursing Chertala.

The winners of the events were :

- Ms. Reethu K Shibu - 200 M race , 2nd prize .
- Ms. Athira Beno - Discus throw , 1st prize
- Ms. Athira Beno - Javelin throw , 3rd prize

Congratulations to all

ZONAL EDUCATIONAL COMPETITION

SNA Zonal level Educational Competitions were held at Sidhi Sadan Lourde College of Nursing , Ernakulam on 28/04/2016. 11 students participated in the events

Winners

- Debate - English - 1st prize - Ann Merin Binoj – 2nd year BSc Nursing
- Poster Presentation - 1st prize - 4th year BSc Nursing students
- 2nd prize - 3rd year BSc Nursing students Quiz - 1st prize

Congratulations to all

ZONAL CULTURAL COMPETITIONS

Zonal cultural competitions were held at School of Nursing and SI-Met College of Nursing on 26/04/2017 and 28/04/2017 at St. Sebastian School of Nursing, Arthunkal and SI- MET College of Nursing , Palluruthy

The winners are

- Group song - 1st prize
- Mono Act - 2nd prize – Reshma R 2nd Year BSc
- Mimicry - 2nd prize – Ashida A 4th Year BSc
- Fancy Dress - 2nd prize – Able Davis 2nd Year BSc
- Solo Song - 3rd prize – Lulu Jose 3rd year BSc
- Story writing - 3rd prize – Jaiby 2nd Year BSc
- Floor Decoration - 3rd prize – Shifaly Bincy 2nd Year BSc

Congratulations to all

Hearty Welcome

Advance Booking No: 0484 2401141, 2402044, Extn. 5027

വിവിധ ചികിത്സാ വിഭാഗങ്ങളും ഒ.പി. ദിവസങ്ങളും

ജനറൽ മെഡിസിൻ

1. ഡോ. ടി.കെ. ജോസഫ് (തിങ്കൾ - ശനി)
2. ഡോ. അനൂപ് എ.കെ (തിങ്കൾ - ശനി)
3. ഡോ. എ.പി. ജോണി (തിങ്കൾ - ശനി)
4. ഡോ. ജോർജ്ജ് സേവ്യർ (തിങ്കൾ - ശനി)
5. ഡോ. അഭിലാഷ് ചാക്കോ (തിങ്കൾ - ശനി)
6. ഡോ. സി. ജിൻസി ജോസഫ് (ഡോ. ക്രിസ്റ്റി) (തിങ്കൾ - ശനി)

ഡയബറ്റോളജി വിഭാഗം (പ്രമേഹ രോഗ ചികിത്സാ വിഭാഗം)

1. ഡോ. ജോർജ്ജ് പൗലോസ് (തിങ്കൾ - ശനി)
2. ഡോ. ബെന്റ്സി ആനി കോശി (തിങ്കൾ - ശനി)

പൾമനോളജി (ശ്വാസകോശ രോഗ വിഭാഗം)

1. ഡോ. പരമേശ് എ. ആർ. (തിങ്കൾ - ശനി)
2. ഡോ. രാഹുൽ സൈമൺ മാമ്പിള്ളി (തിങ്കൾ - ശനി)

ജനറൽ സർജറി വിഭാഗം (ശസ്ത്രക്രിയ വിഭാഗം)

1. ഡോ. ജോയ് മാമ്പിള്ളി (ചൊവ്വ am, വ്യാഴം am, ശനി am)
2. ഡോ. പൗലോസ് ജേക്കബ് (ചൊവ്വ, വ്യാഴം, ശനി)
3. ഡോ. അനന്തപത്മനാഭൻ (On Leave) (തിങ്കൾ, ബുധൻ വെള്ളി)

ഡെർമറ്റോളജി (തുക രോഗ വിഭാഗം)

1. ഡോ. സോമൻ പിറ്റർ (തിങ്കൾ, ചൊവ്വ, വ്യാഴം, വെള്ളി, ശനി)

ഓഫ്താൽമോളജി (നേത്ര രോഗ വിഭാഗം)

1. ഡോ. ലതാ മാത്യു (തിങ്കൾ, ചൊവ്വ, വ്യാഴം, ശനി)

ഇ.എൻ.ടി. (ചെവി, മൂക്ക്, തൊണ്ട വിഭാഗം)

1. ഡോ. റ്റിന വർഗ്ഗീസ് (ചൊവ്വ, വ്യാഴം, ശനി)
2. ഡോ. ഫ്രാങ്കി ജോസ് (തിങ്കൾ, ബുധൻ, വെള്ളി)
3. ഡോ. ദിവ്യ മോഹൻ വി. (തിങ്കൾ, ബുധൻ, വെള്ളി)
4. ഡോ. ജോസഫ് മാത്യു (ചൊവ്വ, വ്യാഴം, ശനി)

ഓർത്തോപീഡിയക്സ് (അസ്ഥി രോഗ വിഭാഗം)

1. ഡോ. കെ. രാജാറാം (ചൊവ്വ, വ്യാഴം, ശനി)
2. ഡോ. സുരേഷ് പോൾ (തിങ്കൾ, ബുധൻ, വെള്ളി)
3. ഡോ. ബിജു പി. എ. (ചൊവ്വ, വ്യാഴം, ശനി)
4. ഡോ. മനോജ് എം (തിങ്കൾ, ബുധൻ, വെള്ളി)

സൈക്യാട്രി (മാനസിക രോഗ വിഭാഗം)

1. ഡോ. കുറുവിള തോമസ് (തിങ്കൾ - ശനി After 4 pm)

ഗ്യാസ്ട്രോ എന്ററോളജി (ഉദര രോഗ വിഭാഗം)

1. ഡോ. തോമസ് ജെയിംസ് (തിങ്കൾ - ശനി)
2. ഡോ. ജോണി സിറിയക് (തിങ്കൾ - ശനി)

ഗ്യാസ്ട്രോ ഇന്റസ്റ്റിനൽ ഫൈബ്രോബില്ലിയറി & പാൻക്രിയാറ്റിക് സർജറി

1. ഡോ. സുനിൽ ടി. (തിങ്കൾ, ശനി pm, ബുധൻ, വെള്ള am & pm)

നെഫ്രോളജി (വൃക്ക രോഗ വിഭാഗം)

1. ഡോ. ബാബു ഫ്രാൻസിസ് (തിങ്കൾ - വെള്ളി)
2. ഡോ. ജോസ് പി. പോൾ (തിങ്കൾ - വെള്ളി)

ന്യൂറോളജി (മസ്തിഷ്ക രോഗ വിഭാഗം)

1. ഡോ. വിദ്യ എം. വി. (തിങ്കൾ - ശനി)
2. ഡോ. അരുൺ കുമാർ എം. എൽ. (തിങ്കൾ - ശനി)

ന്യൂറോ സർജറി (മസ്തിഷ്ക രോഗ വിഭാഗം)

1. ഡോ. കോശി ജോർജ്ജ് (തിങ്കൾ & വ്യാഴം)
2. ഡോ. ബി ശ്യാം (ചൊവ്വ & വെള്ളി)
3. ഡോ. കൃഷ്ണദാസ് (ബുധൻ am, ശനി am)

ഡെന്റൽ വിഭാഗം (ദന്ത രോഗ വിഭാഗം)

1. ഡോ. ബിജി രാജ് (തിങ്കൾ - ശനി)
2. ഡോ. ജേക്കബ് ചാക്കോ (തിങ്കൾ, വ്യാഴം, ശനി)
3. ഡോ. റോസ് കുറിയൻ (തിങ്കൾ - ശനി)
4. ഡോ. ടെറി തോമസ് (വെള്ളി, ശനി)
5. ഡോ. രേഷ്മ സോണി (തിങ്കൾ - വെള്ളി)

ഓങ്കോളജി വിഭാഗം

1. ഡോ. അശോക് എസ്. കൊമരൻചാത്ത് (തിങ്കൾ - ശനി)

സർജിക്കൽ ഓങ്കോളജി വിഭാഗം

1. ഡോ. അരുൺ പിറ്റർ മാത്യു (തിങ്കൾ - ശനി)

പീഡിയാട്രിക്സ് വിഭാഗം (ശിശുരോഗ വിഭാഗം)

1. ഡോ. മാർഗരറ്റ് ജോസഫ് (തിങ്കൾ - ശനി am)
2. ഡോ. ശിവജി ആർ. ഫെഗ്ഗെ (തിങ്കൾ - ശനി)
3. ഡോ. ജെസി തോമസ് (തിങ്കൾ - ശനി)
4. ശശിധരൻ പി. യു. (തിങ്കൾ - ശനി)

ജീറിയോട്രിക് വിഭാഗം

1. ഡോ. റോസക്കുട്ടി മാത്യു (തിങ്കൾ - ശനി am)
2. ഡോ. സാരാമ്മ ഹുശോ (തിങ്കൾ - ശനി am)

ഗൈനക്കോളജി വിഭാഗം

1. ഡോ. എയ്മി ഡിസൂസ (ചൊവ്വ, വ്യാഴം, ശനി)
2. ഡോ. രമദേവി (തിങ്കൾ, ബുധൻ, വെള്ളി)
3. ഡോ. Sr. റാണി പോൾ (തിങ്കൾ, ബുധൻ, വെള്ളി)
5. ഡോ. സിമി രാജ് ടി. ജെ. (ചൊവ്വ, വ്യാഴം, ശനി)
6. സുമി പി. തമ്പി (ചൊവ്വ, വ്യാഴം, ശനി)

യൂറോളജി വിഭാഗം

1. ഡോ. ദാമോദരൻ നമ്പ്യാർ (തിങ്കൾ pm, ബുധൻ, വെള്ളി)
2. ഡോ. വിജു ജോർജ്ജ് (ചൊവ്വ pm, വ്യാഴം pm, ശനി am)
3. ഡോ. തോമസ് പുതുക്കാടൻ (ചൊവ്വ, വ്യാഴം am, വെള്ളി pm)
4. ഡോ. തരുൺ ബി.കെ. (ചൊവ്വ am, വ്യാഴം, വെള്ളി)
5. ഡോ. സനിൽ കുമാർ എൻ. കെ. (ചൊവ്വ am, ബുധൻ, വ്യാഴം pm വെള്ളി am, ശനി am)

കാർഡിയോളജി (ഹൃദയരോഗ വിഭാഗം) Booking No. 0484 2401821

1. ഡോ. റോണി മാത്യു കടവിൽ (തിങ്കൾ - ശനി)
2. ഡോ. പ്രൊഫ. ഒ. പി. മാത്യു (ചൊവ്വ, വ്യാഴം, വെള്ളി)
